### 01 PLANETARY POSITIONS

| PLANET    | SIGN               | HOUSE | DIGNITY / STATE           | CORE STRATEGIC EFFECT                                                                                                       |
|-----------|--------------------|-------|---------------------------|-----------------------------------------------------------------------------------------------------------------------------|
| ☉ Sun     | Cancer<br>18°41'   | 5H    | RADIANT CORE              | Leadership through creation. Authority peaks in original work — products, ventures & IP; visibility follows invention.      |
| ☾ Moon    | Virgo<br>19°51'    | 7H    | ANALYTICAL INSTINCT       | Emotional intelligence runs on data. Reads counterparties instantly; deal-sense embedded at the gut level.                  |
| ☿ Mercury | Cancer<br>1°44'    | 5H    | CREATIVE INTELLECT        | Intuitive engineering mind. Converts imagination into working systems — code, language & product architecture.              |
| ♀ Venus   | Leo<br>3°34'       | 6H    | BOLD REFINEMENT           | Operations become brand theatre. Premium taste applied to service, systems & execution discipline.                          |
| ♂ Mars    | Cancer<br>8°28'    | 5H    | NEECHA BHANGA · RAJA YOGA | Debilitation reversed into rare power. Raw drive matures into patient, strategic force — late-blooming, formidable.         |
| ♃ Jupiter | Taurus<br>12°40'   | 3H    | LORD OF 1ST & 10TH        | Career rises through self-built craft. The chart's ruler invests in skills, content & courage — a slow, compounding ascent. |
| ♄ Saturn  | Taurus<br>5°48'    | 3H    | IRON DISCIPLINE           | The relentless craftsman. Effort systematized — mastery of tools, hands & code, built hour by hour.                         |
| ♅ Rahu    | Cancer<br>0°38'    | 5H    | AMPLIFIED GENIUS          | Obsessive creative intelligence. Unconventional bets in technology, speculation & intellectual property.                    |
| ♆ Ketu    | Capricorn<br>0°38' | 11H   | DETACHED MASTERY          | Immune to crowd validation. Filters networks ruthlessly — few allies, all of them consequential.                            |

### 02 HOUSE ARCHITECTURE

|                                                                                                                                                                            |                                                                                                                                                                                  |                                                                                                                                                                                      |                                                                                                                                                             |

### 03 EXECUTIVE SUMMARY & WEALTH SIGNATURE

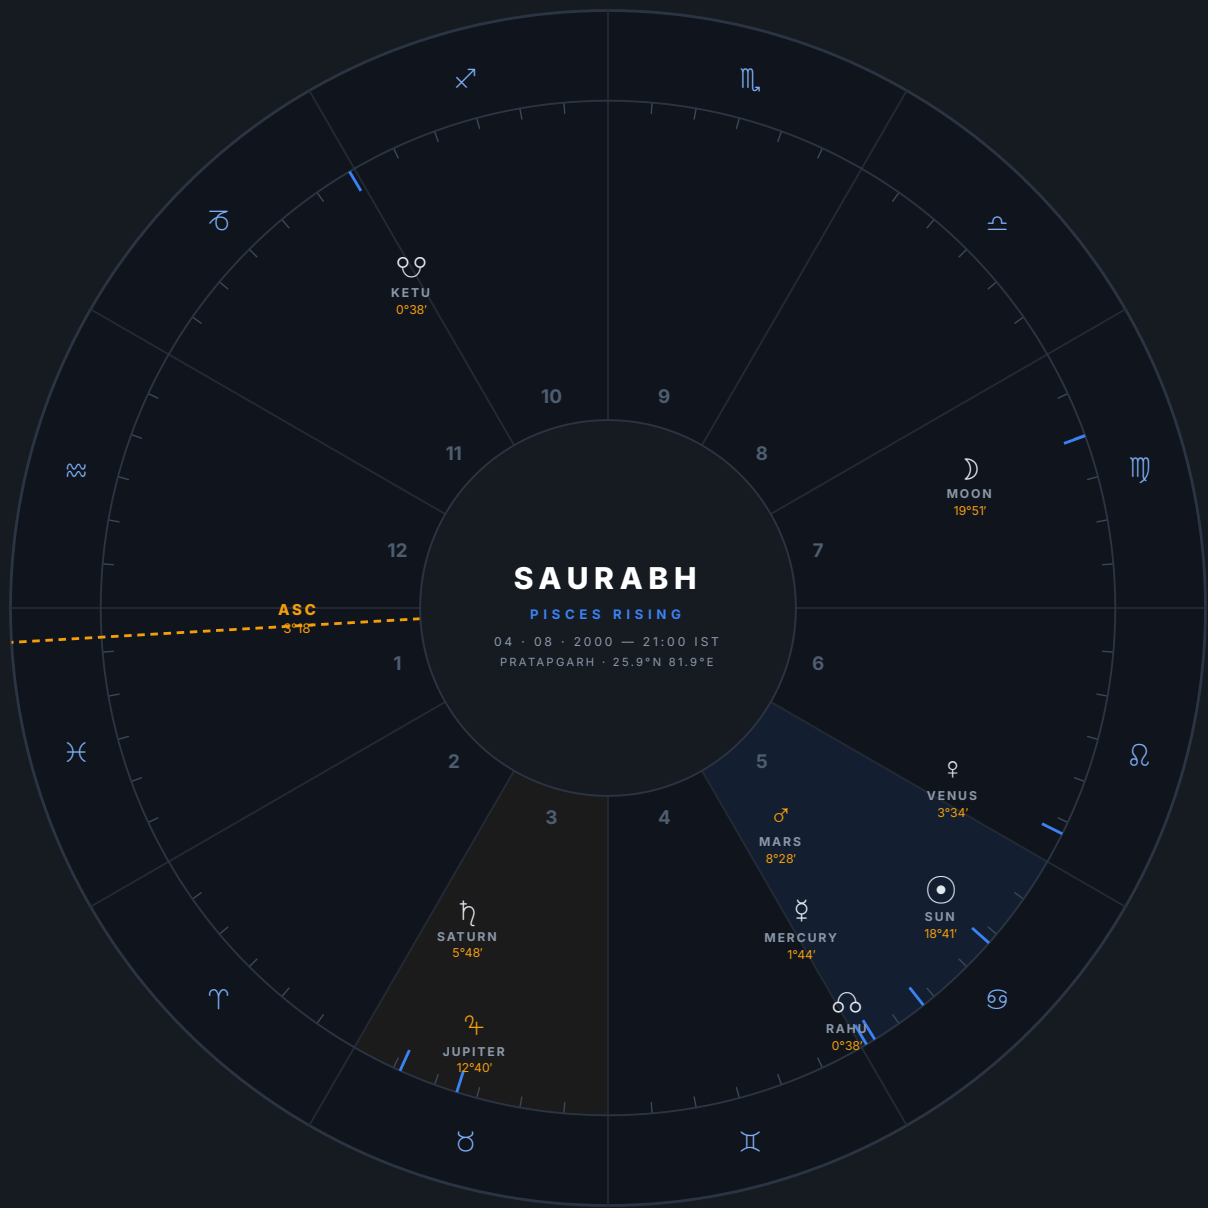

#### ARCHETYPE

#### THE INTUITIVE ARCHITECT

A Pisces-ascendant visionary carrying a **four-planet Cancer stellium** in the 5th — the house of creation. Imagination is industrialized: a Saturn–Jupiter forge builds skill in the 3rd, the analytical Moon audits alliances in the 7th, and a **Ketu-pruned 11th** keeps gains structural.

#### OPERATIONAL DIRECTIVE

Build original IP. The **5th house is the profit engine** — invent, code, ship. Jupiter, lord of the 1st & 10th, converts self-built craft into career altitude; Mars' **Neecha Bhanga** turns raw drive into strategic force. Monetize creation, and let elite Capricorn networks distribute.
